We, the editors of the "M" book of the University, hope that the material that we have gathered may in some small way help you to acquire a better understanding of your new life here.

Of advice, you will find little, but what we do give we feel should be properly heeded in order that you may benefit by the mistakes that we who have gone before you have made.

You are now on your own, make the most of it, and in any difficulty that you may find yourself, the editors of this book stand ready to help you.

Make the most of these next four years, and beware of the most common malady of young collegians, Procrastination.

GEARY "SWEDE" EPPLEY

DEDICATION

To Terpdom's busiest man, Geary "Swede" Eppley, director of athletics, coach of track, chairman of the Student Life Committee and financial adviser of the Student Government Association, we, the editors, dedicate this, the 1937-38 "M" Book.

DR. H. C. BYRD
President of the University

PRESIDENT'S MESSAGE

Dear Marylanders:

It is always a pleasure to extend a word of greeting to new students who come to our Campus for the first time, and it is an equal pleasure to welcome back the old students.

Members of the Faculty and the Administrative Staff of the University are anxious to help each one of you make the most of your stay on this Campus. Do not hesitate to call on any of us when you feel we can help you.

To the new students we would especially emphasize the importance of early forming regular and systematic habits of study, so that each day's work may be cared for at the proper time.

University life is many sided, and a wide range of extra-curricular activities offer opportunities for you to develop other than strictly intellectual phases of your personality. You will form friendships and associations which should endure long beyond your college days and do much to enrich your lives.

Let us all work together with sincere and purposeful cooperation to achieve the kind of success which makes us useful citizens and gives us satisfaction in our individual lives.

Sincerely,

H. C. BYRD, President.

DEAN ADELE H. STAMP

"M" BOOK GREETINGS FOR 1937-1938

To All Freshmen Students:

Greetings to all freshmen students and a hearty and cordial welcome. It is our earnest hope that you will enjoy your life spent on our campus whether you come to us as a day student or live in our dormitories. Maryland is noted for its friendliness and comradeship and so we want you to feel at home on our campus and to feel that you really belong here and not as a stranger coming into our gates.

Take part in some of our extra-curricular activities but choose wisely and do not try to enter into all of them. It is better to belong to two organizations and to contribute something to them and to get something out of them than to join half a dozen and give nothing and get nothing. Your work and play should be balanced; not too much of either.

May your freshman year be successful academically and recreationally, and may it be filled with pleasant memories.

Sincerely yours,

ADELE H. STAMP, Dean of Women.

HISTORY

Perhaps the best and most graphic illustration of the remarkable progress the University of Maryland has made since its founding in 1807 is found on the College Park campus in the old Mechanical Engineering Building, the first building in the State devoted to the teaching of engineering. Erected in 1895, this building today forms a section only of the Engineering group, which includes a small auditorium, seating 250 persons, with other buildings to house electrical engineering, civil and mechanical engineering, their laboratories and equipment, and with the original building housing only a shop, and a few classrooms. The advances made since its construction in 1895 are commensurate with the progress of the entire University.

The present University of Maryland was, originally, two separate institutions, the University of Maryland, founded in 1807 under the name of the College of Medicine of Maryland, and the Maryland State College, founded in 1856 at College Park as the Maryland Agricultural College.

The College of Medicine of Maryland was first located at Lombard and Greene Streets, in Baltimore, and the building which was erected to house it in 1814-15 is the oldest structure in America devoted to the teaching of medicine.

In 1812, the General Assembly of Maryland authorized the College of Medicine of Maryland to "annex or constitute faculties of divinity, law, and arts and sciences," these to form an institution to be known as the University of Maryland. In 1813, a move was made to establish the "faculty of law," and, in 1823, a school of law was opened. Subsequently, a College of Dentistry, a School of Pharmacy, and a School of Nursing were added. The first-named is the oldest Dental College in the world.

In 1856 was established the Maryland Agricultural College, which later became the Land Grant College of Maryland. It was conducted for a number of years as a private institution, but financial disasters and the general depression which followed the Civil War made it necessary for the College to appeal to the State Legislature in 1866 for assistance. In 1916 a new charter was granted to it as Maryland State College and the State took complete control. An act of the Legislature in 1920 united the old University of Maryland with the Maryland State College, to form the present University of Maryland with branches in Baltimore and College Park.

Five new buildings have been erected within the past three years and two more have just been completed. Enrollment since 1912 has jumped from 130 to 2,000.

Increased facilities are likewise noted in Baltimore, with a splendid new $1,500,000 hospital recently completed, a new law building opened two years ago, and a new dentistry and pharmacy building but recently put into use. Enroilment in the Baltimore branch of the University averages about 1,600.

Plans were completed last spring for the University's $1,170,000 Building Program, which provides for the addition of four new buildings to the local campus and the remodeling and repairing of several others. Also included in the plans are a new men's dormitory, a general service building, a home economics building, and a new poultry building, at the College Park Branch. In addition, the infirmary, engineering, men's dormitory group, and the dairy buildings will be improved under the remodeling division of the program.

Two additional floors are planned for the new University Hospital at Baltimore; Dental and Pharmacy Schools are to receive much needed improvement.

STUDENT PASTORS

Most of the major religious denominations at Maryland have Student Pastors who minister especially to the students of their denomination. The Student Pastors have an office in the Student Center, where each has his office hours during the week. The Baptist, Episcopalian, Presbyterian, and Lutheran students have denominational clubs which meet regularly during the year.

3. Visiting hours are between 4.00 and 5.00 P.M. and 7.00 and 8.00 P.M. daily. No visitor may see any patient until permission is first granted by the nurse.

PARKING REGULATIONS

The Automobile Parking Regulations are for the purpose of protecting the appearance of our campus as well as for personal safety and convenience. These regulations, which have been in operation for several years, have been found very beneficial to our campus. The following are the regulations proposed by our Campus Parking Committee and approved by the Administration:

Automobiles MUST NOT be parked or STOPPED on any of the campus roads except to take on or discharge passengers. Hanging on cars is not permitted. Fast driving and rounding curves at a speed greater than fifteen (15) miles per hour is prohibited. Blowing horns in front of buildings disturbs class activities and is prohibited at all times. Driving off campus roads on grass is positively forbidden. Students must not park in Visitors' Spaces located near the Dining Hall and in front of the Agriculture Building.

Students must not park in space reserved for visitors located in front of the library.

Spaces to be used by students for the parking of automobiles are:

Women: Parking area north of University Lane and adjacent to the walk leading to Gerneaux Hall, except spaces 200 to 240 inclusive and 272 to 310 inclusive. **Men students are not permitted to park in this area.**

Men: Parking area near Calvert and Silvester Halls, except spaces 482 to 499 inclusive. Parking area between the Gymnasium and Silvester Hall. Parking area at Gymnasium, except spaces marked, "Reserved".

Officers of the Maryland State Police have been detailed to assist in maintaining these regulations, which are essential for maintenance of property, convenience, and personal safety. **Any student who fails to observe these regulations, may be deprived of the use of his car and driving privileges on the campus. Continued violation may mean suspension from the University.**

The responsibility for parked automobiles rests with the car owner. For further information inquire at the Office of the Superintendent of Buildings and Grounds, Room 18, basement of Agriculture Building.

JOHN MUNCKS
President of S. G. A.

STUDENT GOVERNMENT ASSOCIATION

Student government at Maryland has attained unusual heights in efficiency and organization during the past year with the University administration adopting a broad and elastic policy in permitting students to practice self-government as far as is practicable. Final jurisdiction is, of course, vested in the President of the University.

The presidency of the Student Government Association is the highest position open to an undergraduate and one of utmost responsibility. The Student Government has as component parts, a men's unit and a women's unit, each to consider its respective problems and the Executive Council, composed of a cross section of student leaders. The Executive Council has final jurisdiction as far as the student governing is concerned. The Student Life Committee, a faculty body appointed by the President of the University, approves all major actions and formations of student organizations.

The Vice-President of the Student Government Association is Chairman of the Executive Council, which enables the President of the Association to act as a voting member and thus more adequately facilitate legislation and maintain the Parliamentary procedure of the sessions.

Meetings of these organizations are held twice each month or on special occasions at the direction of the President of the S. G. A. All meetings are closed to the public.

All student activities under the Association are financed by one of the most complete subsidization plans in university or college circles in the country. The activities fee of $10 paid by each student upon entrance to the Univer-

sity is apportioned between publications, dramatics, debate, opera, and the host of similar functions on a percentage basis, with the result that each undergraduate realizes returns on his investment far in excess of the original fee. Thus, admittance to all dramatic and operatic performances is free, all publications are distributed, without charge, to those who have paid the fee, and similar benefits, which might otherwise occasion financial difficulties, are obtained without hardship to the student.

Students entering in September or February as sophomores are to pay $2 instead of the $2.50 previously charged as class dues.

	September	February
Sophomores	$2.00	$2.00
Juniors	4.00	3.00*
Seniors	2.00	2.00

*This amount effective with understanding that Juniors entering in February do not have the opportunity of attending the Junior Prom.

HANDLING OF FINANCES OF STUDENT ORGANIZATIONS

In the spring of 1930, the Student Government Association passed a resolution to charge each student a general activities fee of ten dollars ($10.00) per year, which fee included payment of his class dues and subscription to The Diamondback, The Old Line, and The Terrapin. In 1931 the Student Band, and the Footlight Club were added to this group, and each student receives in return tickets to two performances of the Footlight Club. Debate was added in 1933, and further subsidized in 1934. A combined Glee Club was also added in 1934.

The money received is prorated among the aforementioned organizations. according to a percentage schedule arranged by the Student Government Association. The accounts of these organizations and all of the general student organizations, including The Rossbourg Club, Scabbard and Blade, and the Maryland Christian Association, are grouped in one account and are under the supervision of a Faculty Adviser, and the Assistant of Student Activities. At the beginning of each

school year, each organization submits a budget for approval, and then writes an order for each expenditure to be made. This is checked against the budget items and, if sufficient funds are available, is approved by the Faculty Adviser. Various firms with which the students deal have been notified that the Student Government Association is not responsible for any contracted debts for which an order has not been issued. Any student or individual contracting debts without an order is personally responsible.

Records, which are always open for inspection, are kept at the Central Office for each organization. Besides, each organization treasurer keeps his own set of books, which serves as a check upon the Central Office. The bills are vouchered, and the accounts are audited by the State Auditor at the end of the year. In the first issue of The Diamondback of the school year, a full statement is issued of all accounts handled by the Central Office during the previous year. A check, which eliminates a great deal of misunderstanding, is also maintained for the students upon the sale of tickets for such functions as those held by the Footlight Club, and the Rossburg Club.

STUDENT PUBLICATIONS

Three student-edited and student-written publications—The Diamondback, weekly newspaper; The Terrapin, year-book, and The Old Line, bi-monthly comic magazine—are produced by University of Maryland undergraduates as official organs of the Student Government Association.

The staffs of each of these publications are composed of students from freshman, sophomore, junior and senior classes, with the editors chosen, except in unusual circumstances, from members of the latter group. These editors are chosen by popular election each spring from a group of candidates selected by the outgoing editors and the Faculty Advisor of Student Publications. Eligibility for positions is determined by length of service, ability, and freshman and sophomore staff records.

Shortly after registration, a meeting of candidates for Student Publications is held under the supervision of the editors and business managers, and questionnaires are issued to determine the type of publication and department in which the applicants wish to work. No previous experience is necessary to become members of a publications staff.

The Diamondback, weekly newspaper, is published every Monday and contains complete University news and official bulletins with which every student should be familiar. Opportunities are afforded undergraduates to secure much valuable experience in advertising and editorial lines. The Terrapin is published in June and contains a complete record of the University work for the year, together with summaries of spring sports results—a feature almost unique in college annuals. The Old Line appears eight times each year.

Each undergraduate at Maryland is required to pay a blanket sum of $10.00 on the day of registration. This provides for a year's sub-

scription to the "Diamondback," the weekly published every Monday during the school year; year's subscription to the "Old Line." bi-monthly, published eight times during the school year, and the "Terrapin," annual, which is issued about June 1st.

Major officers of the publications for the year 1937-38 are:

All of these publications welcome tryouts for their respective staffs. Any student wishing to affiliate with one of them should consult some member of the staff which he or she wishes to join.

DRAMATICS

Hampered somewhat by mediocre staging facilities, the Footlight Club, principal organi-

zation of campus thespians, has produced a number of truly noteworthy plays during the past seven years.

Under the tutelage of Dr. Charles B. Hale, talented coach, the Footlighters have staged successfully an average of two full length plays a year and a number of one-act performances and comedy skits. The combined talents of both players and Dr. Hale have resulted in productions that have attracted much favorable comment from local and national critics.

During the past season, the Footlight Club presented three dramas in carrying on the fame of the group. These were "No More Ladies," "The Last Warning," and "The Royal Family."

OPERA CLUB

Since its revival three years ago, the Opera Club, under the direction of Harlan Randall, musical director of the University, has produced several successful operettas among which are Victor Herbert's "Sweethearts" and Rudolf Friml's "Vagabond King." It is the custom of the club to stage an operetta for the student body each spring. Encouraged by Mr. Randall, the club has made great progress this year and at the present time has a membership of eighty undergraduates.

GLEE CLUB AND WOMEN'S CHORUS

The Men's Glee Club and Women's Chorus hold an important position in campus activities. Under the leadership of Harlan Randall, musical director of the University, they have appeared separately and as a mixed chorus in many programs on the campus and around the state. With thirty voices in the Glee Club and forty in the chorus, the organizations have grown rapidly this past year.

DEBATE

The administration for a number of years has supported intercollegiate debating, recognizing this student activity as one of the most important activities from a cultural, educational, and practical training standpoint.

Two years ago "The Calvert Debate Club" was formed to better centralize the preparation and presentation of the debates on the regular schedule, and to discuss current topics of the day. Try-outs are held twice a year, during the first month of each semester; all members of debate teams are selected from this club.

Professor C. S. Richardson, Head of the Public Speaking Department, is chairman of the faculty committee which works in cooperation with the club as an advisory body to it. Schedules are arranged through the Student Activities Office. Besides debates on the campus and at nearby high schools, the men's and women's teams make several trips to colleges throughout the south and north.

Y. W. C. A.

Beginning as the Women's Cabinet of the Maryland Christian Association, the Y. W. C. A. was organized at the University in 1930. It was not until last year that it functioned as an independent unit.

Officers and chairmen of the committees make up the cabinet which is the executive body of the association. Membership is open to women students interested in the work of the association.

Projects of the club consists of assisting during orientation, entertaining freshman girls at teas, donating baskets to the poor at Thanksgiving.

It also aids in S. G. A. relief drives and sponsor student-faculty teas, which were begun last year.

The object of the Y. W. C. A. is to aid students in becoming better acquainted with fellow students at the University.

THE ROSSBOURG CLUB

The Rossbourg Club, founded in 1891, is Maryland's oldest and most prominent social organization. Its primary function is to give a number of informal dances, free to members. During the past few years it has shown very rapid growth, due principally to the fact that it has given the most successful dances Maryland has ever known.

CONCERNING FRATERNITIES

The aim and dream of many a freshman is to attain membership in a great collegiate fraternity. To many, this dream means luxury of living, a sense of superiority, a good time among "brothers," and a shining pin to show the home folks.

A fraternity or sorority should mean much more. It should mean closer companionship with other men or women with similar ideals who are pledged to raise the moral, educational, and social standards of the group.

In a few weeks many will have the opportunity to join one of these lodges. The opportunities for you to benefit from these affiliations are numerous, but please keep in mind:

That your decision will probably have more effect on your future life than any you have ever made in the past.

That you are not an outcast if you do not receive the bid you wish, or any bid—you may be too intelligent instead of too backward to interest that particular organization.

That many of the potentially fine men have been completely buried in their fraternities.

That men in other fraternities may be worth cultivating or keeping as intimate friends. Some of your best friends in the Freshman Class will not be in your fraternity. Do not lose them.

That you are entitled to know the financial set-up of any fraternity that rushes you.

That it is neither any credit to you nor to a fraternity to obligate yourself before the official pledge day.

And that your success or failure does not rely on whether you make a fraternity or not, but on the initiative and perseverence you show in either situation. Some men are actually made by fraternal affiliation; others submerged or ruined. Choose your course carefully, remembering that after pledge day your battle to prove your real worth is only starting.

THE FRATERNITY CRITERIA

(This article is printed by request of the Interfraternity Council.)

The National Interfraternity Conference was founded in 1909 for the purpose of discussing questions of mutual interest and to make such recommendations from time to time as it deems wise. It is composed of sixty-four national fraternities which meet strict qualifications for membership. Its annual conferences are attended by about three hundred and fifty officers and alumni of the various fraternities and about fifty deans of men and college presidents. It sponsors the National Undergraduate Interfraternity Conference, composed of delegates from the Interfraternity Councils on campuses all over the United States and Canada, which meets in conjunction with the Conference itself. It publishes a Year Book, the report of its annual meeting, in which much valuable information about college fraternity life is included.

In the fall of 1934, the Executive Committee of the Conference and the Educational Advisory Council reduced to writing the following criteria in order further to advance co-operation between fraternities and educational institutions. The statement was subsequently approved by the American Association of Deans and Advisers of Men and by the Conference itself. It reads as follows:

> We consider the fraternity responsible for a positive contribution to the primary functions of the colleges and universities, and therefore under an obligation to encourage the most complete personal development of its members, intellectual, physical and social. Therefore, we declare:
>
> 1. That the objectives and activities of the fraternity should be in entire accord

with the aims and purposes of the institutions at which it has chapters.

2. That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual.

3. That the fraternity should promote conduct consistent with good morals and good taste.

4. That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement.

5. That the fraternity should maintain sanitary, safe and wholesome physical conditions in the chapter house.

6. That the fraternity should inculcate principles of sound business practice both in chapter finances and in the business relations of its members.

These criteria should be applied in close co-operation with the administrative authorities of the institutions. Detailed methods of application will necessarily vary in accordance with local conditions. It is the purpose of the National Interfraternity Conference to offer detailed suggestions, after further study and investigation, regarding practical steps to make this co-operation effective.

A girl may never be given more than three invitations from the same sorority in advance of any given day and they must be for a dinner, a luncheon, and a tea. There cannot be two bids to dinner as each bid must be to a different function. As formerly, written invitations are against the rules.

INTRAMURAL SPORTS

Under the direction of Professor C. L. Mackert, Maryland's intramural sports program has expanded rapidly in the past several years. In order that a maximum number of students may participate in 'mural activities a widely diversified schedule of sports is followed.

In the fall of the year touch-football, soccer, tennis, and golf headline the list of activities pursued. When winter comes the intramural scene is shifted indoors and basketball, boxing, wrestling, and volleyball occupy the center of attention. With the first signs of spring the baseball leagues, and tennis and golf tournaments get underway. The annual track meet held in the middle of May is an outstanding feature of the intramural program. Last year over 500 students participated.

Besides the seasonal sports mentioned, year 'round interest is maintained in horseshoes, ping-pong, swimming and fencing.

As an added feature, extramural competitions are held several times each year between Maryland, Georgetown, and Catholic University.

WOMEN'S ATHLETIC ASSOCIATION

According to the constitution of the Women's Athletic Association, only its members are eligible for athletic awards. A freshman can obtain her numerals when she has obtained thirty-five points. After her freshman year, any member earning fifty points may receive her letter. A letter winner earning fifty additional points may get her blazer. Such a co-ed making another fifty points, is awarded a small gold jewelled "M" by the "M" Club. Before either of the last two awards are given a candidate must be passed upon by the members of the "M" Club and the Executive Council of the Women's Athletic Association.

Hockey, basketball, volleyball, baseball, and soccer are the major sports. Membership on one of these teams counts ten points. Two extra points are given each member of the winning team.

The minor sports are as follows: Archery, tennis, tennequoits, and ping-pong. Horseback riding is also included in this group, but has slightly different requirements.

Exams for manager are given two weeks before the sport begins. One woman can be manager or assistant manager of only two sports.

SONGS AND YELLS

ALMA MATER

(Maryland! My Maryland!)

Thy sons and daughters throng thy door,
Maryland! My Maryland!
Their hearts and hopes they bring to thee,
Maryland! oh Maryland!
And place them in thy custody,
Proud hearts that pledge their love for thee:—
They come from mountain, farm and shore
Maryland University!

Go forth, brave youth, throughout the state:
Maryland! My Maryland!
And by your actions, show her great:
Maryland! Our Maryland!
Thy Alma Mater's name and fame,
Oh keep alive her holy flame,
Until all hearts as one exclaim,
Maryland! My Maryland!

Cheer, three times cheer, and one cheer more
For Maryland! Dear Maryland!
Send forth that cry from hill to shore:—
Maryland University!
Fair Mother of our brightest dreams,
Blest giver of life's precious things.
To thee each heart its service brings:—
Maryland! My Maryland!

REMEMBER THE "HELLO HABIT"

MY MARYLAND

The despot's heel is on thy shore,
Maryland! My Maryland!
His torch is at thy temple door,
Maryland! My Maryland!
Avenge the patriotic gore,
That flecked the streets of Baltimore,
And be the battle queen of yore,
Maryland! My Maryland!

Thou wilt not cower in the dust,
Maryland! My Maryland!
Thy gleaming sword shall never rust,
Maryland! My Maryland!
Remember Carroll's sacred trust,
Remember Howard's war-like thrust,
And all the slumb'rers with the just,
Maryland! My Maryland!

Maryland

In the very heart of Maryland,
In the heart of every Maryland man,
There's a spirit so endearing
It will win your heart and hand.
For she doth hold sway,
She will win the day,
And her glorious men will ever win the fray.

Chorus

Then it's Hurrah! Hurrah! for Maryland.
Then's it Hurrah! Hurrah for U. of M.
With her banners ever streaming high,
She will always win or die.
Never forget the glories of the past,
Carry on triumphant to the last,
For we love, we love Old Maryland,
Hurrah! Hurrah! Hurrah!

U. of M.

(Tune, Caisson Song)

U. of M., U. of M.,
Keep the ball away from them,
Keep that pigskin a-rolling along!
Up the field, down the field,
Not an inch of ground we'll yield,
Keep that pigskin a-rolling along!
Then it's Whiff! Wham! Whack!
Hear that Maryland quarterback
Shout out his signals loud and strong!
Where'er you go, you will always know
That the pigskin is rolling along,
(Shouted) Maryland! Maryland!
Keep that pigskin a-rolling along!

Sons of Maryland

(Tune, Sons of America)

Sons of the Gold,
Sons of the Black,
Fight, No spirit lack.
Your Alma Mater
Needs you today.
To help win the fray.
Shoulder to shoulder,
Back to back,
We'll fight together
For the Gold and Black.
Fair Sons and Daughters
Of Maryland,
Upon you all vict'ries stand.

Chorus

Sons of Old Maryland,
Old Maryland needs you!
Stand by your colors, boys,
And to them e'er be true!
Fight for old Maryland,
Old Liners! Stand.
Defenders of the Black and Gold
Throughout this land.
Team! Team! Team!

Victory Song

Down on the field they're fighting.
Pride of the Black and Gold,
Men, every one of them,
Warriors of U. of M.
Our honor they'll uphold.
On toward the goal they're marching.
It will not take them long,
So, let's give a cheer,
For the men we hold dear,
And sing to them our Victory Song.

Chorus

Maryland, we're all behind you;
Wave high the Black and Gold,
For there is nothing half so glorious
As to see our men victorious;
We've got the team, boys,
We've got the steam, boys,
So keep on fighting, don't give in!
(Shout) M-A-R-Y-L-A-N-D!
(Sing) Maryland will win!

All Hail! to Our Maryland

Let us sing to Alma Mater
University of Maryland,
Let us deck her o'er with glory,
With triumph and honor, hand in hand:

University of Maryland,
The college so dear to our hearts,
We'll cheer for the teams which are all so great,
Its praises ring, from State to State;
Along the well-worn trail of victory
Maryland will follow on and on,
And the colors in the lead,
Will be Black and Gold, indeed,
